

## Acta Hydrobiologica

### Contents of Volume 8 (1966)

**Maria BOMBÓWNA and Stanisław WRÓBEL**

**Chemical investigations on the river Vistula between the mouth of the Przemsza and Cracow.**

Acta Hydrobiol., 8, Suppl. 1, 321-343.

[in Polish with English summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Halina BUCKA**

**Plankton communities in the Ochaby Complex of experimental fishery farms.**

Acta Hydrobiol., 8, Suppl. 1, 13-46.

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Janina ĆWIERNIA**

**Overgrowth of the Goczalkowice Reservoir in the years 1961-1963.**

Acta Hydrobiol., 8, Suppl. 1, 293-302.

[in Polish with English summary]

**Author's address:** ul. Węglowa 17, Żywiec, Poland.

---

**Bazyli CZECZUGA**

**Wądołek - a holomictic lake.**

Acta Hydrobiol., 8, 1-4.

[in Polish with English summary]

**Author's address:** Katedra Biologii, Akademia Medyczna, Białystok, Poland.

---

**Włodzimierz CZUBAK**

**Einfluss verschiedener Futtermittel auf Zuwachs und Körpergestaltung des Karpfen.**

Acta Hydrobiol., 8, 161-246.

[in Polish with German summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Maria FERENSKA and Stanisław LEWKOWICZ**  
**Zooplankton in ponds in relation to certain chemical factors.**

Acta Hydrobiol., 8, Suppl. 1, 127-153.

[in Polish with English summary]

**Authors' address:** Polish Academy of Sciences, Laboratory of Water Biology, Experimental Farm, Gołysz, Poland.

---

**Maria FERENSKA**  
**Zooplankton of some ponds at Gołysz.**

Acta Hydrobiol., 8, Suppl. 1, 155-166.

[in Polish with English summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, Experimental Farm, Gołysz, Poland.

---

**Barbara KAWECKA**  
**Aufwuchsalgen auf *Potamogeton* sp. im See Morskie Oko.**

Acta Hydrobiol., 8, 321-328.

[in Polish with German summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Maria KLIMCZYK**  
**Der Hasel (*Leuciscus leuciscus* L.) aus dem Fluss Czarna Staszowska.**

Acta Hydrobiol., 8, 347-370.

[in Polish with German summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Łucja KRZECZKOWSKA-WOŁOSZYN**  
**Das Plankton der neuen Streckteiche der Teichwirtschaft Gołysz.**

Acta Hydrobiol., 8, Suppl. 1, 47-109.

[in Polish with German summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Łucja KRZECZKOWSKA-WOŁOSZYN**  
**More interesting species of algae found in the ponds at Gołysz.**

Acta Hydrobiol., 8, Suppl. 1, 111-126.

[in Polish with English summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Edward KRZYŻANEK**

**Muschelkrebse (Ostracoda) im Staubecken von Goczalkowice.**

Acta Hydrobiol., 8, 123-129.

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, Hydrobiological Station, Goczalkowice, Poland.

---

**Edward KRZYŻANEK**

**Veränderlichkeit in der Besiedlungsdichte der Tendipediden an einer Untersuchungsstelle im Staubecken von Goczalkowice.**

Acta Hydrobiol., 8, 17-24.

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, Hydrobiological Station, Goczalkowice, Poland.

---

**Krystyna KYSELOWA**

**Plankton of some ponds in the basin of the upper Vistula river.**

Acta Hydrobiol., 8, 247-273.

[in Polish with English summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Krystyna KYSELOWA<sup>1</sup> and Antoni KYSELA<sup>2</sup>**

**Seston, periphyton and microbenthos of the Vistula between Oświęcim and Cracow.**

Acta Hydrobiol., 8, Suppl. 1, 345-387.

[in Polish with English summary]

**Authors' addresses:**

<sup>1</sup> Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland

<sup>2</sup> Laboratorium Badania Wody i Ścieków, Wojewódzka Rada Narodowa, Kraków, Poland.

---

**J.W.G. LUND**

**A genus new to Poland: *Prasiococcus* Vischer.**

Acta Hydrobiol., 8, Suppl. 1, 303-309.

**Author's address:** Freshwater Biological Association, Ambleside, England.

---

**Olga MATLAK**

**Zuwachs der Karpfenbrut von zwie Karpfenfamilien aus Gołysz.**

Acta Hydrobiol., 8, Suppl. 1, 255-291.

[in Polish with English summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, Experimental Farms Complex, Ochaby, Poland.

---

**Krystyna OLEKSYNOWA**

**Some new data on the chemical composition of the water in the Valley of the River Prądnik and the Valley of Sąpów.**

Acta Hydrobiol., 8, 275-292.

[in Polish with English summary]

**Author's address:** Katedra Gleboznawstwa, Wyższa Szkoła Rolnicza, Kraków, Poland.

---

**Kazimierz PASTERNAK**

**Chemische Zusammensetzung eines Teichwassers, welches durch Abwässer von Kohlengruben verunreinigt ist.**

Acta Hydrobiol., 8, 79-85.

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Kazimierz PASTERNAK**

**Pond soils arising from heavy loam and clay formations.**

Acta Hydrobiol., 8, 131-155.

[in Polish with English summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Teresa SKALSKA**

**The occurrence of Bacillariophyceae in a spring at Dubie.**

Acta Hydrobiol., 8, Suppl. 1, 311-319.

[in Polish with English summary]

**Author's address:** Katedra Botaniki, Wyższa Szkoła Pedagogiczna, Kraków, Poland.

---

**Andrzej SKAZIŃSKI**

**Entwicklung und Zuwachs des Karpfenstriches aus den Vorstreckteichen von Gołysz.**

Acta Hydrobiol., 8, 41-54.

[in Polish with German summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, Experimental Farm, Gołysz, Poland.

---

**Stanisław SKÓRA and Jan M. WŁODEK**  
**Der Gründling (*Gobio gobio* L.) aus Soła-Fluss.**  
Acta Hydrobiol., 8, 25-40.

[in Polish with German summary]

**Authors' address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Stanisław SKÓRA**  
**Der Steinbeisser (*Cobitis taenia* L.) aus dem Wschodnia-Bach.**  
Acta Hydrobiol., 8, Suppl. 1, 425-435.

[in Polish with German summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Janusz STARMACH**  
**Über Fortpflanzung und Entwicklung der Bartgrundel (*Nemachilus barbatulus* L.) während der Embryonal- und Larvalperiode.**  
Acta Hydrobiol., 8, 111-122.

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Karol STARMACH**  
**Dr inż. Włodzimierz Czubak (1916-1964).**  
Acta Hydrobiol., 8, 157-159.

[Biography with the list of publications; in Polish]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Karol STARMACH**  
***Epibolium fonticolum* sp. nova and other algae in a small spring.**  
Acta Hydrobiol., 8, 301-308.

**Author's address:** Katedra Hydrobiologii, Uniwersytet Jagielloński, Kraków, Poland.

---

**Karol STARMACH**

***Homoeothrix crustacea* Woronichin and accompanying algae in the upper course of the River Raba.**  
Acta Hydrobiol., 8, 309-320.

**Author's address:** Katedra Hydrobiologii, Uniwersytet Jagielloński, Kraków, Poland.

---

**Karol STARMACH**

**The winter flora of algae in a spring trickle on gravel banks near the stream Mszanka.**  
Acta Hydrobiol., 8, 293-300.

**Author's address:** Katedra Hydrobiologii, Uniwersytet Jagielloński, Kraków, Poland.

---

**Karol STARMACH**

**Über neue und seltene Chrysophyceae in der Algenflora Polens.**  
Acta Hydrobiol., 8, 5-14.

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Bronisław SZCZĘSNY**

***Drusus carpathicus* Dziezdzielewicz - eine für die Polen-Fauna neue Art der Köcherfliegen.**  
Acta Hydrobiol., 8, 15-16.

**Author's address:** Zakład Ochrony Przyrody, Polska Akademia Nauk, Kraków, Poland.

---

**Bronisław SZCZĘSNY**

**New and rare species of caddis-flies (Trichoptera) in the fauna of Poland.**  
Acta Hydrobiol., 8, 341-346.

[in Polish with English summary]

**Author's address:** Zakład Ochrony Przyrody, Polska Akademia Nauk, Kraków, Poland.

---

**Jan SZUMIEC**

**Naturfutteranteil in der Ernährung des Karpfens.**  
Acta Hydrobiol., 8, Suppl. 1, 199-253.

[in Polish with German summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, Experimental Farms Complex, Ochaby, Poland.

---

**Zbigniew WAJDOWICZ**

**Änderungen des Fischbestandes im Gebiet des Staubeckens Myczkowce.**  
Acta Hydrobiol., 8, Suppl. 1, 411-424.

[in Polish with German summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Danuta WALUGA**

**Phenol effects on the anatomico-histopathological changes in bream (*Abramis brama* L.).**

Acta Hydrobiol., 8, 55-78.

**Author's address:** Zakład Chorób Ryb, Wyższa Szkoła Rolnicza, Olsztyn-Kortowo, Poland.

---

**Danuta WALUGA**

**Phenol induced changes in the peripheral blood of the breams *Abramis brama* (L.).**

Acta Hydrobiol., 8, 87-95.

**Author's address:** Zakład Chorób Ryb, Wyższa Szkoła Rolnicza, Olsztyn-Kortowo, Poland.

---

**Jan M. WŁODEK**

**Untersuchungen über der Körperbau der polnischen Laichkarpfen.**

Acta Hydrobiol., 8, 97-109.

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Krystyna WOŹNICZKA-STARZYKOWA**

**The zooplankton of the littoral zone of the Przedni Staw in the Valley of the Five Polish Lakes in the Tatra Mountains.**

Acta Hydrobiol., 8, 329-334.

[in Polish with English summary]

**Author's address:** Katedra Hydrobiologii, Uniwersytet Jagielloński, Kraków, Poland.

---

**Krystyna WOŹNICZKA-STARZYKOWA**

**Zooplankton of small pools in the Valley of the Five Polish Lakes in the Tatra Mountains.**

Acta Hydrobiol., 8, 335-339.

[in Polish with English summary]

**Author's address:** Katedra Hydrobiologii, Uniwersytet Jagielloński, Kraków, Poland.

---

**Jerzy ZIĘBA**

**A two-year investigation on bottom fauna in carp rearing ponds.**

Acta Hydrobiol., 8, Suppl. 1, 167-197.

[in Polish with English summary]

**Author's address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.

---

**Jerzy ZIĘBA and Krystyna ZAĆWILICHOWSKA**  
**Bottom fauna in the Vistula between Oświęcim and Kraków.**

Acta Hydrobiol., 8, Suppl. 1, 389-410.

[in Polish with English summary]

**Authors' address:** Polish Academy of Sciences, Laboratory of Water Biology, ul. Sławkowska 17, Kraków, Poland.
